

SPORT HORSE PLUS

LEGENDS®

A textured feed for mature horses in moderate to intense performance and show activities

A textured, fixed ingredient formula specifically designed for mature horses in moderate to intense performance and show activities. Legends® GastroCare™ technology has been blended into this feed for added gastric support. This highly palatable and digestible oat-based feed will provide desired fuel to maximize your horse's performance. The "Plus" means high fat (10% minimum fat guaranteed) which provides increased calories for stamina and improved body condition under heavy work.
